

Catch a BIG One...

YOU ARE INVITED TO ATTEND THE

34TH ANNUAL CFA SUMMER CONVENTION

AUGUST 5-7, 2010 THE CHATEAU ON THE LAKE, BRANSON, MISSOURI

The only national event dedicated solely to the concrete foundation industry.

*Hook into CFA's one-stop Convention
to reel in the industry's best in education,
networking, certification,
and exhibitor participation.*

Education. Networking.
Recreation.
Relaxation.
Entertainment.
Comradery.
When we meet at
Chateau on the
Lake you will enjoy
all this and more.

Plan your
Summer for
this great
opportunity
to combine
business and
family at a most
needed time.

An education program has been shaped to provide ways to jumpstart your business to leadership during this recovering economy. Learn ways to leverage your online opportunities; identify the requirements for thermal performance and the options available to you; and come away with new financial strategies. Of course our Opening and Closing Product Exhibitions continue to showcase products, services, and new ideas for our industry.

In addition to an educational program you won't want to miss, the multitude of water sports available at the Chateau Marina to a world of entertainment in and around Branson...from one-of-a-kind spouse programs and their supervised Kids Club to golfing with the National Associates. No one wants to miss the Thursday morning National Associate's Invitation Golf Tournament at Murder Rock Golf and Country Club -- get your name on the list now! Then relax and enjoy CFA's Friday night dinner and boat cruise with your industry associates and families on board the Showboat Branson Belle. Finally, we're keeping the Saturday night gala event a secret... but we guarantee you won't want to miss out!
