Pampas Brazilian Grille

“Meat, on a sword, at your table...Pampas Brazilian Grille inside the Miracle Mile Shops at Planet Hollywood is not your average restaurant in a mall. Pampas serves up something different, not just in the food, but in how they serve it.

Fresh grilled meats are served on a long skewer and brought to your table to be carved tableside. There are 11 different meats making their way around the room, usually three or four at a time.

The finest cuts of meat are prepared with traditional Brazilian spices and spit-roasted over a brick Rodizio to perfection. The best way to go at Pampas is with the Rodizio, with meat or seafood options. A parade of various meats and seafood items are marched to your table. You also get access to a buffet-style salad and side bar. This is a great asset to Pampas. When dining at Pampas Brazilian Grille, be prepared for a little something different.
